

## **Timeline – 2022 Water Conservation Advisory Council Report**

November/December 2021: Begin Workgroup meetings, develop work plan, and begin drafting legislative recommendations. Workgroups will provide status updates to Council at Council meetings.

January 2022: Council Meeting, discuss legislative recommendations. Begin collaboration efforts with any appropriate state agencies.

February 2022: Council Meeting, Discuss and finalize legislative recommendations with state agency input.

March 2022: Council Meeting, Finalize legislative recommendations. Begin drafting legislative report.

April 2022: Council Meeting, discuss first draft of report to the legislature. Develop timeline for development of report and designate deadline for providing new content or suggesting revisions to the draft.

August 2022: Council Meeting, Discussion and possible action on final report draft to the legislature. If no issues with report content or format, motion and vote to approve the report in its substantially final form.

Tentative Report Deadline: October 1, 2022
