SUBJECT: Amendment to the City of Terrell Closing Schedule

ACTION REQUESTED

Approve by resolution, previously adopted Texas Water Development Board (TWDB) Resolution No. 18-125, as amended by Resolutions 19-029 and 19-048, to extend the City of Terrell's Drinking Water State Revolving Fund commitment period and loan closing schedule.

BACKGROUND

In 2018, the TWDB approved a \$7,385,000 commitment to the City of Terrell (City) from the Drinking Water State Revolving Fund. In March 2019, this commitment was amended to reflect a multi-year financing structure with the last commitment expiration date of October 31, 2022. In April 2019, the commitment was amended to remove conditions related to the tax-exempt status. The City has closed three of the four commitments.

KEY ISSUES

Based on its fiscal year planning and budgeting for debt service increase, the City is requesting an extension for the remaining commitment until December 31, 2022. This will help ensure the City has sufficient time to meet its fiscal year planning and budgeting goals for the remaining \$4,150,000. This requested amendment does not change the total amount of financing to the City.

- a. proceeds of the TWDB's Source Series Bonds invested for a reasonable temporary period of up to three (3) years after the issue date of the Source Series Bonds until such proceeds are needed for the facilities to be financed;

The City shall maintain a copy of such calculations for at least six years after the final Computation Date;
 - c. as additional consideration for the making of the Loan, and in order to induce the making of the Loan by measures designed to ensure the excludability of the interest on the TWDB's Source Series Bonds from the gross income of the owners thereof for federal income tax purposes, pay to the United States the amount described in paragraph (b) above within 30 days after each Computation Date;
 - d. exercise reasonable diligence to assure that no errors are made in the calculations required by paragraph (b) and, if such error is made, to discover and promptly to correct such error within a reasonable amount of time thereafter, including payment to the United States of any interest and any penalty required by the Regulations;

Reference: Request to Extend Closing Deadlines for CWSRF 73807 and DWSRF 62808

Dear Dennis:

The City of Terrell has reviewed our current loan closing schedule for 2022 for the two subject TWDB project numbers. TWDB has approved a schedule to close for the following: by October 31, 2022 on the following loans:

<u>Loan</u>		<u>Commitment Expires</u>
CWSRF 73807, LM22881	\$3,290,000	October 31, 2022
DWSRF 62808, LM22882	\$4,150,000	October 31, 2022

Our request is that the Board amend both commitments and extend the Commitment to Close date to December 31, 2022.

This request is largely driven by the loan closing and approval process. Our goal is to close in October 2022 because it assists in our fiscal year planning and budgeting for debt service increases, which influences our water and sewer rates. If an extension of the closing date is not approved, ensuring the closing date occurs in October 2022 to satisfy both TWDB requirements and the City of Terrell's budgeting goals could mean we miss the October 31, 2022 deadline.

The City of Terrell has successfully closed on a total of \$24,655,000 in DWSRF and CWSRF loans as part of these projects. These two remaining loans will close out the approved commitments. We will continue to plan accordingly to ensure success in the projects while remaining fiscally responsible.

Approval of this request would be greatly appreciated.

Sincerely,

Mike Sims
City Manager
