

You're Invited: Webinar Economically Distressed Areas Program

The Texas Water Development Board (TWDB) invites you to an Economically Distressed Areas Program (EDAP) webinar. TWDB staff will share information and details about the upcoming EDAP solicitation period and Intended Use Plan (IUP) for State Fiscal Year (SFY) 2024-2025.

EDAP provides financial assistance for projects serving economically distressed residential areas where water or sewer services do not exist, or existing systems do not meet minimum state standards.

Eligible EDAP applicants include cities, counties, water districts, nonprofit water supply corporations, and all other political subdivisions (Texas Water Code Section 16.341(3)).
