Bureau of Economic Geology, University of Texas at Austin.

Data source:  
Railroad Commission of Texas, Surface Mining and Reclamation Division

**EXPLANATION**

- Permitted
- ▲ Proposed

**Coal Deposits**

**Near-surface Lignite resources  
(0'-200')**

- Wilcox group
- Jackson-Yegua group

**Potential deep basin Lignite resources  
(200'-2000')**

- Wilcox group
- Jackson-Yegua group

**Bituminous resources**

1. Aluminum Company of America (Sandow)
2. American Norit Company Inc. (Darco)
3. Amistad Fuel Company (Little Bull Creek)
4. Farco Mining Company (Palafax)
5. Farco Mining Company (Rachal)
- \*6. Lower Colorado River Authority (Cummins Creek)
7. Lower Colorado River Authority (Powell Bend)
8. Northwestern Resources Company (Jewett)
9. The Sabine Mining Company (South Hallsville I)
10. San Miguel Electric Cooperative, Inc. (San Miguel I)
11. Texas Municipal Power Agency (Gibbons Creek I)
12. Texas Municipal Power Agency (Gibbons Creek II)
13. Texas Utilities Mining Company (Big Brown)
14. Texas Utilities Mining Company (Martin Lake)
15. Texas Utilities Mining Company (Monticello)
16. Texas Utilities Mining Company (Oak Hill)
- \*17. Texas Utilities Mining Company (Twin Oaks)
18. Thurber Coal Company (Thurber)
19. Central and Southwest Services (Karnack)
20. Central and Southwest Services (Walker Co.)
21. Lower Colorado River Authority (Cummins Creek)
22. North American Coal Company (Trinity)
23. Northwestern Resources Company (Jewett D)
24. Phillips Coal Company (Calvert)
25. The Sabine Mining Company (South Hallsville, West)
26. San Miguel Electric Cooperative, Inc. (San Miguel II)
27. Shell Oil Company (Milam)
28. Texas Utilities Mining Company (Forest Grove)
29. Texas Utilities Mining Company (Monticello H&G-East)
30. Texas Utilities Mining Company (Twin Oaks)
